**AFCO BOLT IN BALL-JOINT TUBULAR UPPER CONTROL ARM - \$59.95/ea**  
*-3/16" thick ball-joint plate provides maximum strength. Mig welded using .083" wall tubing for arms under 10", .120" wall tubing for arms 10" and longer.*  
*-Uses 9/16" holes on 6" center.*

**AFCO THREADED BALL JOINT TUBULAR UPPER CONTROL ARM-\$64.95/ea**  
*-Ball-Joint ring built on 10 degree angle to allow greater ball-joint mis-alignment during suspension travel. Uses AFC20034 Ball-joint.*  
*-Designed for increased coil clearance, uses 1/2" holes on 6" center.*
