-Velcro straps, 6" Diameter, 2" Thick
-Blue REB270-8637, Red REB270-8636, Black REB270-8635

COLEMAN QUICK RELEASE ECONOMY STYLE DISCONNECT - \$22.50/ea

-3/4" Bore, hex shaft COL14426 (Hex only - \$12.10/ea COL14419)

REBCO 360 DEGREE STYLE DISCONNECT - \$54.99/ea REB270-8630

-Splined steel shaft welds on 3/4" shaft. Aluminum hub can be released with either hand from any side of wheel. (Hex only- \$27.95/ea REB270-8630S)

COLEMAN PRO-LITE STEERING QUICKENERS - \$112.50/ea (1.8 lbs)

These pro-lite steering quickeners are 2.5 lbs lighter than the standard quickener currently available. Their compact design makes for more room in the drivers compartment and also makes it easier to mount in confined spaces. The bodies are CNC machined from solid billet aluminum and anodized and featuring steel gears and shafts that are supported by heavy duty roller bearings and seals.

-1.5 COL22369 -2.1 COL22370

STEERING SHAFT HANGER/BRACKET -

4" Long - \$4.99 8" Long - \$6.99 12" Long - \$9.99

HOWE CLAMP ON STEERING SHAFT MOUNT - \$49.00/ea

-This piece weighs only 1.2 lbs and is machined to accept a standard 3/4" shaft.
-HOW91997 - 1 3/4" Bar -HOW91998 - 1 1/2" Bar
